

## **FAQ's**

### **Are you completely outside?**

Our whole venue is a roof top bar. During winter months we have a roof and heaters so it's super snug!

When it comes to Summer we remove about 80% of the roof to soak up the sun but we do still have an area which is partially covered.

### **What kind of music do you play?**

With the roof on we have chilled background music. Throughout summer there is no music but the atmosphere more than carries itself!

### **How big is the venue?**

We have a full venue capacity of 490 people.

### **Do you have a private room?**

We have The Terrace available for private hire in the summer. This has a capacity of 75 people as a mix of seating and standing. Get in touch for quotes!

### **Do you have an age policy?**

We are an over 21's venue. We can sometimes make an exception, but it's best to get in touch with our team to ask first.

### **Do I have to book a table to get in?**

We accept walk ins however if we are at full capacity (which often happens in the summer) we can only let in those with a booking. Therefore, we always recommend to book far in advance.

### **What is guest list?**

Our guest list gets you free and priority entry. If we're at full capacity it will be one in one out at the door and entry isn't guaranteed.

### **Do you have a dress code?**

Smart Casual

### **Is there food?**

We have a Dip & Flip kitchen on the roof, this is burgers, chicken wings and chips covered in Gravy!

### **Where is your entrance?**

Just down the alley around the corner from Wahaca, on Waterloo Road. Look out for our sign!

**Do you have any packages?**

We do! Give our team a call on 0203 892 8166 or email at [bookings@barelba.co.uk](mailto:bookings@barelba.co.uk) to find out more.
